

Gotta Be

By: The Green

Yeah, say can y'all hear me
The Green is coming hey hey
Me say me say oh yeah
Ah me say oh oh yeah
The Green is coming
Ah hear me say

I know you see it, but you don't want to hear it
Sometimes you get the best of me, and I can't believe it
So what you gonna do when it comes down
And where you gonna stand when there's no ground
I tell you what you want to hear, you know that I'll be waiting here

I gotta be free, got to give love
I gotta be strong never giving up
I gotta sing praise with the sound of drums
You know that I'll be for my family
I gotta be cool when it's getting hot
I gotta stand tall, got to reach the top
I gotta be a man, give it all I got
You know that I'll be for my family

Everybody's asking, they just want to hear
And they just need the truth
Wrapped in silver lining, neon colors
And they can't let it go
Everybody's asking, they just want to hear
And they just need the truth
Wrapped in silver lining, neon colors
And they can't let it go, no
See they just can't let it go

I gotta be free, got to give love
I gotta be strong never giving up
I gotta sing praise with the sound of drums
You know that I'll be for my family
I gotta be cool when it's getting hot
I gotta stand tall, got to reach the top

I gotta be a man, give it all I got
You know that I'll be for my family

Well I feel loved, and hated at the same time
I feel like everybody's fussing, but I'm still trying
Well speak up if you got something to say
I'm standing right here I ain't going nowhere
You best believe, that I'm an all around lover
Not just a freak, that just be working undercover
Yeah I'm that same man with that same plan
Making sure that you hear it, it's best you understand

I gotta be free, got to give love
I gotta be strong never giving up
I gotta sing praise with the sound of drums
You know that I'll be for my family
I gotta be cool when it's getting hot
I gotta stand tall, got to reach the top
I gotta be a man, give it all I got
You know that I'll be for my family

Gotta be, gotta be baby
