Honoring Those We Have Lost

We will pay tribute to our lost loved ones through our slide show.

Celebrating Lives Saved

Share your story if you or someone you know has been saved with naloxone.

Continuing to Prevent Needless Deaths

The Overdose Prevention Agency Corporation (TOPAC) was founded by Paul Ressler with the mission of maximizing the life-saving benefits of the *Overdose Prevention Act*. TOPAC has partnered successfully with local agencies to offer free naloxone trainings to the public, but these efforts require ongoing support. Together we can continue to prevent needless overdose deaths.

Please visit www.overdosepreventionagency.org or speak with Paul tonight to learn more about how you can make a donation or get involved.

“All that is necessary for the triumph of evil is that good men do nothing.”

-Edmund Burke
