

No Children by The Mountain Goats
Lyrics

I hope that our few remaining friends
Give up on trying to save us
I hope we come up with a failsafe plot
to piss off the dumb few that forgave us
I hope the fences we mended
Fall down beneath their own weight
And I hope we hang on past the last exit
I hope it's already too late
and I hope the junkyard a few blocks from here
Someday burns down
And I hope the rising black smoke carries me far away
and I never come back to this town again
in my life
I hope I lie
and tell everyone you were a good wife
and I hope you die
I hope we both die
I hope I cut myself shaving tomorrow
I hope it bleeds all day long
Our friends say it's darkest before the sun rises
We're pretty sure they're all wrong
I hope it stays dark forever
I hope the worst isn't over
I hope you blink before I do
and I hope I never get sober
and I hope when you think of me years down the line
you can't find one good thing to say
and I hope that if I found the strength to walk out
You'd stay the hell out of my way
I am drowning
there is no sign of land
you are coming down with me
Hand in unloveable hand
and I hope you die
I hope we both did
