

# Landslide

By: Smashing Pumpkins

I took my love and took it down  
I climbed a mountain, I turned around  
And I saw my reflection in a snow covered hill  
'til a landslide brought it down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?

Well, I've been afraid of changing cause I've  
Built my life around you  
Time makes you bolder  
Even children get older  
And I'm getting older, too  
I'm getting older, too

I took my love and took it down  
I climbed a mountain, I turned around  
And if you see my reflection in the snow covered hill  
The landslide brought it down  
The landslide brought it down
